STOCK UP ON INNOVATIVE IDEAS!

It is with great pleasure that we welcome you to the 8th edition of the Wood Design Show in Quebec City! This year's show includes many new and exciting features for architects, interior designers, kitchen designers, cabinetmakers, woodworkers, manufacturers, contractors, and other industry professionals.

The Wood Design Show focuses entirely on interior design materials and has become the not-to-miss event of the year with its unique industry conferences. With over 50,000 ft² of floor space comprising more than 50 exhibitors and three conference stages, you'll have the unique opportunity to learn, network, and discover the latest innovations. The diverse list of exhibitors includes broad industry representation from renowned material and equipment manufacturers and distributors to digital technology providers, trade associations, and builders/promoters. Participate in free conferences produced by INDEX-DESIGN and those of exhibitors featuring product presentations, training, and networking sessions.

We would like to acknowledge the support of our loyal partners who have made it possible for the Wood Design Show to grow into the vibrant and dynamic event that it is today.

This year's show will no doubt exceed your expectations, providing inspiration, knowledge, and new industry connections to advance your career.
